### Service Programs

#### Home Visiting
**Prenatal-infant**
Support for new parents in their homes on topics including feeding, pre-natal care and more at no cost to families.

#### Early Intervention
**Birth-3**
In-home therapies for infants and toddlers with developmental delays or at risk for delay at no cost to families.

#### Care Coordination (Title V)
**Birth-21**
New Mexico Children and youth with special health care needs can receive no-cost care coordination from medical social workers and access to specialized health clinics focused on different health concerns.

#### Family and Young Adult Engagement (Title V)
**Family member of children B-21: Young adults 18-26**
Arizona Parents of children with SHCN (Special Health Care Needs) and Young adults with SHCN have opportunities to participate in leadership development and be compensated for system level activities.

#### Medicaid
**ALL**
Health coverage administered by the state in which you live. Birth-18 is paid for with EPSDT funds. In Arizona known as EPSDT and is paid for through AHCCCS.

#### Indian Health Service
**ALL**
Provides health care facilities for Native Americans.

#### Parent Training and Information Center
**Birth-26**
Assists parents of children with disabilities in understanding their rights and responsibilities in Special Education through workshops, publications and individual assistance.

#### Public Health Offices
**ALL**
Provide health care services throughout each state. Also provides supplemental nutrition through Women, Infant and Children’s (WIC) program.

#### State Medicaid Waiver Programs
**Age varies (applying early is recommended)**
Waivers provide health care, medical supplies, nursing and other services to individuals who are medically fragile or have development disabilities.
